

# COVID-19 BRINGS GREAT HARM TO PARK CONCESSIONERS, CONCESSIONS EMPLOYEES AND PARK VISITORS

↓46%

*drop in 2020 revenues if  
national parks reopen by June*

↓58%

*drop in 2020 revenues if  
national parks reopen by July*

90%

*of concessioners are having difficulty  
making loan payments or accessing capital*

80%

*of furloughed staff are  
retaining benefits*

If parks reopen after July, many visitor  
services may not open **at all this year**

23%

*of staff is being  
retained on average*

Over 6,000 commercial use  
authorizations

25,000 seasonal and year-  
round employees in parks

**About 500 concessions  
contracts in 100 national  
park units**

Roughly \$1.6 billion in  
gross receipts

\$125 million for NPS in  
franchise fees in 2018

*Concessioners have a long history in national parks, predating the creation of the National Park Service. They provide:*

*and more!*
